

Martina Girges

Computer Science Engineer

Phone: 01270223335, 01119590027

Email: martinagirges75@gmail.com

Objective

As a Computer Science graduate, I am eager to apply my knowledge in programming, machine learning, and embedded systems in a dynamic, growth-driven organization. I am passionate about continuous learning and innovative problem-solving.

Education

Bachelor's in Computer Science and Artificial Intelligence | Fayoum University | 2020 - 2024

GPA: 2.74

Graduation Project: Machine Learning & WEP-based Project

Relevant Coursework and Certifications

- * IOT training in Smart Village (ITI)
- * Embedded Systems training
- * ICDL Certification
- * Online courses in C++, C, Python, and Java

Skills

Programming Languages: C++, C, Python, Java

Technologies: Embedded Systems, Machine Learning, MATLAB, EMU8086

Certifications: ICDL, IOT (ITI Smart Village), Embedded Systems

Soft Skills: Problem-Solving, Team Collaboration, Creativity, Time Management

Volunteering Experience

- * Children church services
- * Teaching Chemistry and Math to secondary and preparatory students
- * Active member of IEEE and IDEA Community

- * Volunteer at Faiyum Orphan Support Organization

Languages

- * Arabic: Fluent
- * English: Very Good

Extracurricular Activities

- * Scout member
- * Teaching assistant for school students

Experience

- * Delivered a course on entrepreneurship as part of the 'Digital Egypt Cubs' initiative, which aims to support and develop young people's skills in technology and entrepreneurship.
